## Enhanced Conference Transportation

On behalf of Sandestin Golf and Beach Resort, it is our sincere pleasure to welcome you to our beautiful resort! We are excited to have you as our guest and are looking forward to providing you with a wonderful conference experience! To assist you with getting to and from the conference center, the following enhanced transportation plan has been setup for your event.

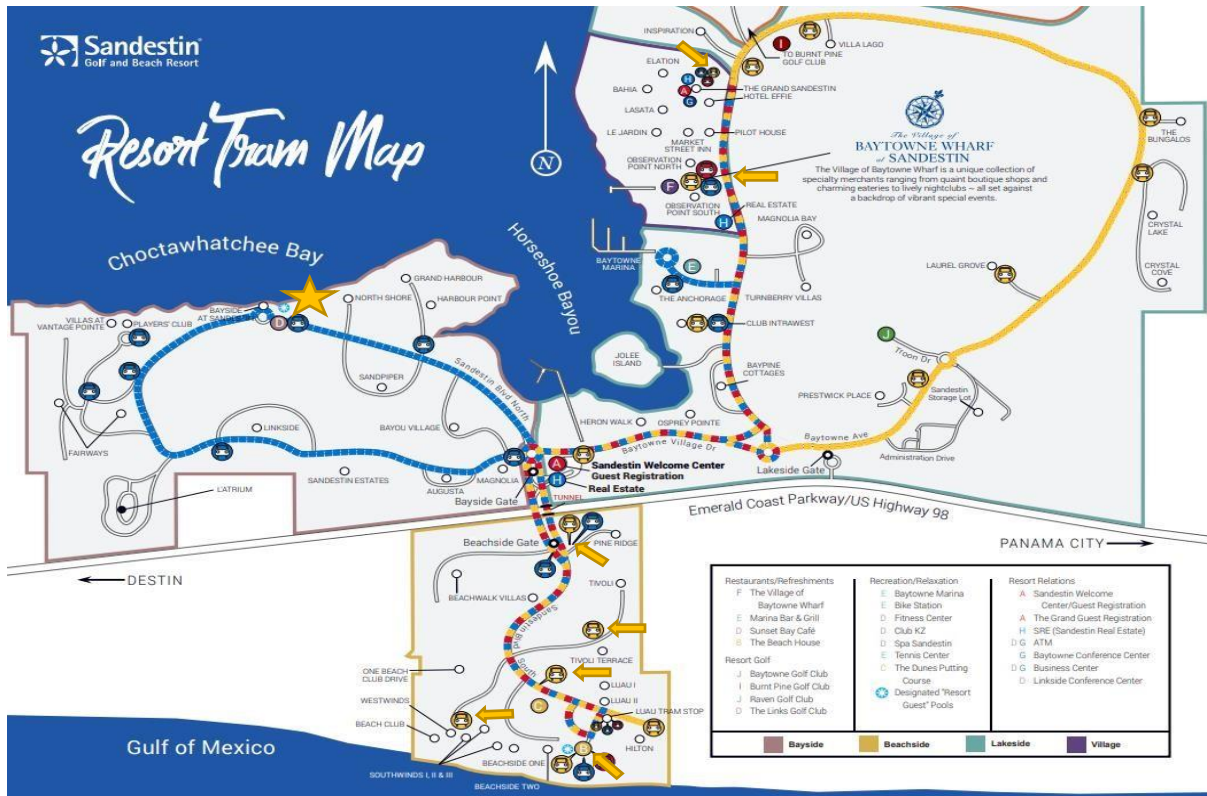

The designated tram stops marked with a **yellow arrow** on the below resort map will offer enhanced transportation services on the below timeline to the Linkside Conference Center, located at the yellow star. Please show your room key to utilize this service. Transportation will not have an exact pickup time; however, trams will be running on a constant loop. If the tram has just departed, the loop time before the tram returns should be approx. 25-30 minutes. Trams will take you directly to the Linkside Conference Center. Return trips will also pickup at the drop off location at the conclusion of each day's meetings.
