NO COMPETING PRODUCT THEATER PROGRAMS!

Our Product Theaters are all unopposed - you have the prescribers' undivided attention.

THE SBHPP DIFFERENCE

See how the value of our Product Theaters matches up against other national organizations

Question	National Associations	The SBHPP Difference
Are there other Product Theaters at the same time as mine?	There are 3 or more Product Theaters running concurrently; Many national associations publish the policy of "Attendees are served on a first come, first served basis." Attendees are oftentimes confused about which program to attend, and although many may want to learn about your product, they are often turned away because space fills up.	THERE ARE NO COMPETING PROGRAMS! You have the undivided attention of the prescribers. Our management team is committed to hosting the most professional program for you; everyone can expect to be accommodated.
How many participants will attend my Product Theater?	Attendance is not guaranteed as there are usually multiple programs running at the same time.	Virtually all our conference attendees participate in the Product Theaters. We promote your programs multiple times via advance e-blasts. Attendees commit to attending the program increasing overall Product Theater participation. Product Theaters are promoted on-site with sponsor provided signage.
How many times per year can you host a product theater for me?	Just 1 time per year - during the annual meeting.	With a unique audience in every city, SBHPP offers you 10 events to feature your message, at convenient locations throughout the country.
What is the investment?	Fees are as high as \$75,000-\$100,000 for each Product Theater; Association has only 1 chance per year to fill coffers.	We know ROI is important to you, and because we don't have expensive overhead like many national organizations, the investment is much more affordable. You could host multiple nationally attended Product Theaters with us for what you may spend at just 1 event with some other organizations. GREAT VALUE!

Event Management shall not be deemed to waive any of its rights hereunder unless such waiver is explicitly stated as a waiver in writing and signed by Event Management.
