April 2024

**CME, Sun, and Sand!**

It's spring, and if you're ready to pack your bags and hit the beach for continuing medical education, we have the perfect solution: Five of our 2024 CME Conferences are being held in sunny, sandy destination locations – giving you the unique opportunity to earn up to 39 CME credits and 7 APRN Pharmacology credits while treating yourself to fun in the sun!

Better yet, we're running a special promotion through our [SPIRIT loyalty referral program](#). As always, every time you refer a friend or colleague who hasn't experienced one of our CME programs before, you'll both receive \$100 for in-person registrations or \$50 for virtual and on-demand purchases. **But in 2024, we're awarding \$500 to the person who refers the greatest number of new registrants during the year!**

[Read more >](#)**CME Conferences By the Numbers**

Need some assistance making the case to your employer that a Skin, Bones, Hearts & Private Parts CME Conference is right for you? Our online [Justification Toolkit](#) offers customizable letters, a breakdown of fees (hint, we offer the best value per CME credit, with our cost per CME credit hour as low as \$21!), statistics about attendee reviews, and more for In-person and Virtual CME, as well as for On-demand CME.

Since our founding in 2011 and our pilot CME Conference in Orlando, Fla., over Labor Day Weekend, we've welcomed 16,400 physicians, nurse practitioners (NPs), physician assistants (PAs), and registered nurses (RNs) to 78 conferences, where they have learned from and were entertained by 125 speakers. Thousands more have joined us online, and we've awarded nearly 500,000 CME credit hours. We're proud of our growth – and since our first conference knew we were on to something when we made "Making Medical Meetings Fun" an integral part of our mission.

Kara Roman, MMS, PA-C**

We welcome countless NPs, PAs, Physicians and RNs to our CME Conferences every year – both as speakers and as attendees. One of our leading speakers specializing in dermatology is **Kara Roman, MMS, PA-C**, who helped launch George Fox University PA Program in 2022 and currently serves as its Associate Director and Director of Didactic Education. Kara has a special interest in women's health, dermatology, and adolescent medicine, and she was honored to receive the Golden Apple Award for outstanding teaching in 2001 from the PA students at Midwestern.

[Read more >](#)**Celebrate Nurses Week  
With Us!**

The American Nurses Association is celebrating National Nurses Week May 6-12, 2024, to honor the invaluable contributions of nurses worldwide. Themed "Nurses Make the Difference", all of us in the medical community are recognizing the varying roles of nurses and their positive impact on our lives, as they serve as trusted advocates who ensure individuals, families, and communities receive quality patient care and services.
