RE: On-demand CME Courses I'd Like to Take

Dear Insert Supervisor's name here

I am writing to request permission to purchase an On-demand CME package **from Skin Bones, Hearts & Private Parts.**

As a fully accredited CME provider with a 16-year track record, Skin, Bones, Hearts & Private Parts specializes in high-quality education for physician assistants, nurse practitioners, RNs, and physicians. Courses are led by medical experts and explore best practices and new research that are important for my position as Insert your title here

I have attended an in-person conference/purchased an On-demand package with Skin Bones and gained outstanding insight that advanced my patient care.

OR (check one)

This will be my first time purchasing an On-demand package from Skin Bones, but I know that their content receives positive reviews from NPs, PAs, RNs, and physicians nationwide.

The On-demand course topics include:

- Cardiology & Emergency Medicine / Obesity
- Dermatology
- Diabetes
- Endocrinology
- Men & Women's Health
- Orthopedics
- Pain Management, Pharmacology & Prescribing
- Women's Health and more!

I'm interested in purchasing one or more of the above courses.

On-demand CME gives me the opportunity to renew my skills and to earn CME and APRN Pharmacology credits without travel. Plus, a portion of every registration goes towards scholarships for the Turn it Up! Foundation, which provides funding to deaf and hard of hearing children for piano lessons, musical instruments, and more.

Once I complete the courses, I will share the information that I learned with our team, thus giving everyone the opportunity to see what's new in patient care.

Sincerely,

Insert your name here

Here's what our attendees are saying:

98%

- Conference is a good value
- Met their goals & expectations
- Would recommend our event to friends & colleagues
